12. [REDACTED] LIAISON Accompanied [REDACTED] ORPA, [REDACTED] OER and [REDACTED] CSS, to a current intelligence briefing on Vietnam and Laos requested by Representative G. V. Montgomery (D., Miss.). Also in attendance were Representatives Robert Daniel (R., Va.), Richardson Preyer (D., N. Car.), Sam B. Hall, Jr. (D., Texas), and James T. Broyhill (R., N. Car.). Congressman Montgomery has been asked by Speaker O'Neill to travel to Hanoi for the purpose of exploring the possibilities of normalizing relations. The Congressman also hoped to be able to make some progress of the MIA issue. The briefing went extremely well. At the conclusion, Congressman Montgomery asked us to look into the possibility of providing him with a statement to the effect that during his time in Vietnam there will be no aircraft surveillance of the area. I referred to a similar statement which was used by the Woodcock delegation to Vietnam recently. Steve Lyne is checking to see if the State Department can produce the statement used by Woodcock delegation.

I also discussed with Bill Miller his request for a list of allegations regarding CIA from the World Youth Festival in Havana and responses to each of the major allegations. I informed Miller we had responded to the press on three of the allegations already and explained these to him.
